Once Enrollment opens, you will receive an email from Parent Locker, directing you to create or login to your existing account. You will be prompted to complete household, student, and supplemental information. All documents and waivers will be submitted/signed directly on Parent Locker.

TERMS AND CONDITIONS

1. In consideration of your enrollment, ZJA holds a space, engages faculty, and commits to certain expenditures for your child. Therefore your child's enrollment at ZJA, constitutes a contractual agreement between you and The School, and the Registration Fee will not be refunded should your child choose not to attend.
2. In order for a student to begin classes on the first day of school, families must meet the following criteria:
 - You are current with all past balances or made satisfactory arrangements and received written approval from the School Finance Committee for outstanding balances.
 - You have a signed and completed Tuition Agreement on Parent Locker.

Refund Policy:

If a student is withdrawn from ZJA at any time after this Agreement has been signed and submitted to ZJA, whether the withdrawal is due to absence, withdrawal, or dismissal, the parent(s) shall be responsible for tuition and fees as follows:

If Withdrawn...	Refund Available
Before August 1 st	Full/assessed tuition, excluding registration fee
Before October 1 st	75% of assessed tuition, excluding registration fee
Before December 1 st	50% of assessed tuition, excluding registration fee
After December 1 st	No Refund

Provided, however, that in the event the student and the student's family unexpectedly move their residence from the metropolitan area and were unable to anticipate such move prior to August 1st, then Parent must notify ZJA in writing of the relocation circumstances as soon as possible, and ZJA will prorate the tuition (based on full or partial months of school attended) and provide an appropriate refund to Parents.

Fees: If a student is withdrawn from ZJA at any time, or opts out of any optional fees, parents will be responsible for 20% of the remaining fees (not including registration fee, as mentioned above), prorated for the remainder of the academic year.

It is agreed and understood that, in light of the commitments which are made by ZJA based on this signed Agreement, and in light of the fact that the actual cost to ZJA of the withdrawal of a student is difficult to ascertain, the amount of the obligation for tuition and fees indicated above reflects a reasonable estimate of the cost to ZJA arising from the withdrawal or dismissal of a student.
